

GRAND SLAM TEAM RENTAL INFORMATION

As many of you know, Grand Slam is bigger and much better. We have added 25,000 square feet of practice area. Multiple teams can now practice in our 35,000 square foot facility. Our new bullpens allow coaches to work with more than 1 pitcher at a time. Our tee and soft toss station, along with the 2 hitting tunnels allow players to get enough cuts to ensure they are prepared for their coming games. With the additional turf space, teams can now work on their fundamentals, including ground balls, run downs and much more. If teams prefer more swings, we have also added a wiffle ball machine and a small ball machine to enhance hand eye training. Grand Slam will provide all baseballs, wiffle balls, and machines.

TO SCHEDULE A TIME PLEASE CALL SCOTT AT GRAND SLAM: 747 – 8660
Or
EMAIL: Scott@grandslamequipment.com
